

Zelcore Disclaimer

Please read this disclaimer carefully before using Zelcore's cryptocurrency services. By using these services, you acknowledge and agree to the following terms:

1. **Third-Party Services:** Zelcore provides access to cryptocurrency on-ramp, off-ramp, and swap exchange services through third-party service providers. Zelcore does not directly process, facilitate, or control the cryptocurrency transactions, conversions, or exchanges initiated through these services. Any transaction executed using third-party providers is governed by their terms and conditions.
2. **No Responsibility for Losses:** Zelcore is not responsible for any potential loss of funds that may occur as a result of using cryptocurrency on-ramp, off-ramp, or swap exchange services integrated within the Zelcore platform. Users should fully understand and accept the risks associated with buying, selling, or swapping cryptocurrencies.
3. **Limited Liability for Support:** Zelcore is under no obligation to provide technical support or assistance for issues arising from the use of third-party cryptocurrency buying, selling, or swapping services integrated into the platform. Any concerns or problems should be directed to the respective third-party service provider.
4. **No Accountability for Data Security:** Zelcore assumes no responsibility for any potential breaches, data leaks, or unauthorized access to personal information occurring as a result of using third-party cryptocurrency buying, selling, or swapping services. Users are encouraged to review the privacy policies and data security measures of third-party service providers.
5. **Price Fluctuations and Rate Discrepancies:** Zelcore is not responsible for fluctuations in cryptocurrency prices or potential differences between quoted and actual exchange rates at the time of a transaction. Cryptocurrency prices are highly volatile, and users should understand that exchange rates may differ from those initially displayed.
6. **Accuracy of Amounts:** Zelcore cannot guarantee the accuracy of amounts displayed during the transaction process. There may be variations between the displayed value and the final amount purchased, sold, or exchanged due to factors such as network fees, third-party service provider fees, and market conditions.
7. **Swap Exchange Discrepancies:** Zelcore is not responsible for potential discrepancies between the amounts displayed during a cryptocurrency swap and the final amounts received. Factors such as liquidity, market volatility, and third-party service provider processes may result in variations from the initially quoted amount.

8. **No Warranties:** All services provided by Zelcore and its third-party partners are offered on an “as-is” and “as available” basis without any warranties of any kind, whether express or implied, including but not limited to the implied warranties of merchantability, fitness for a particular purpose, or non-infringement.
9. **User Responsibility:** It is the sole responsibility of users to ensure the security of their private keys, accounts, and access credentials. Zelcore does not store or manage user keys, and any loss of access due to forgotten credentials or compromised accounts is the responsibility of the user.
10. **Risk Disclosure:** Cryptocurrencies are subject to high market volatility, regulatory changes, and other risks. Users should be aware that trading, buying, or selling digital assets may result in significant financial losses. Zelcore is not responsible for advising users on these risks or on the suitability of using its services.
11. **Compliance with Local Laws:** It is the user’s responsibility to ensure that their use of Zelcore’s services complies with applicable laws and regulations in their jurisdiction. Zelcore makes no representation that its services are appropriate or available for use in all jurisdictions.
12. **Tax Obligations:** Users are solely responsible for reporting and paying any taxes, duties, or charges applicable to cryptocurrency transactions conducted through the Zelcore platform. Zelcore does not provide tax advice and encourages users to consult with a professional tax advisor.

By continuing to use Zelcore’s platform for cryptocurrency onramp, offramp, or swap services, you acknowledge that all transactions are conducted at your own risk and discretion. Zelcore disclaims any liability for financial losses, data breaches, or discrepancies tied to third-party services.
